This recipe gives dealer 11 to 16 HCP, 4 spades, and 5 hearts.

That is the simplest description of a potential Flannery 2♦ opening hand.

Other recipes will address the many complications (exact shape, suit quality, strength in majors vs minors, etc.) but this one is good for making deals that force the user to really study and think about whether or not Flannery would apply.

Generate 1 board.
No hands rotation.
